Stephen,

I provided Jim with inaccurate information: I am available on Tuesday, May 19. The rest of May doesn't work for me. I've copied Tom Aley on this message so he can indicate his availability.

Jim,

We can also do May 27, 28, or 29. It may be good to have everyone there. Jon Rauscher (the site risk assessor) will also be attending, so I anticipate good Q&As before finalization of the comments.

Stephen,

Jean is not available that week. I will check on Tom's availability and get back with you as soon as I can.

Hi Jean,

Scott Huling and I would like to inspect the site and surrounding off-site areas on May 19 or 20.

Would you, Jim, and/or Tom be available?

Thanks,
